Another Record

Wow! Look at us go! We will have another record fundraiser today thanks to you. The tournament was sold out within an hour of the first email going out. It's great to see the enthusiasm for this event. Speaking of enthusiasm, you can see it everywhere at Beaches Community Centre. Membership has more than doubled this year to over 650. Participation is up in all events, especially Pickleball which now boasts of one of the biggest and best facilities in Manitoba with 10 courts. The new Interim Fitness Facility has attracted over 100 members to date, and will expand its footprint to double the size (1000+ Sq. Ft.) by the new year. The 8th Annual Golf Tournament is an important part of this momentum, providing funding for sustainable and new programming. Thanks to all of our sponsors and especially our presenting sponsor - The Birchwood Hotel for making this the best golf tournament north of the Perimeter.

John Heppenstall,
Tournament Co-Chair
